

Dear [Applicant],

We are thrilled you are interested in joining our community! Our community is dedicated to raising the value of learning by applying time currency to shared activities. Learning should be a lifelong pursuit, and we welcome individuals who share this belief and are passionate about doing so through collaborative efforts.

To become a community member, we invite you to complete the following application. We want to get to know you better and learn about your motivations, expertise, and interests to work together to achieve our shared goal.

1. What motivates you to join our community?
2. How can you contribute to our goal of raising the value of learning through time currency?
3. What are your passions and areas of expertise you would be willing to share with others in our community?
4. Have you been involved in any projects or initiatives that align with our values? If so, please describe your involvement and the impact you made.
5. Do you have any suggestions or ideas for projects we could undertake as a community to further our goals?

By submitting this application, you agree to actively participate in the community and contribute to its goals of raising the value of learning by applying time currency. You also agree to respect the opinions and ideas of other community members and to engage in dialogue and inquiry respectfully and constructively. Your participation may involve recording Learning Time Credits and donating money or assets to the goal.

Name:Ellen Cool
