When creating your film, be sure to make it's design and flow the same as Light Films. Please follow our [ColorCodes](#) for the color scheme. If you'd like to add additional colors, contact us. Collaborate with a narrator for the voice over. Our Carbon Offsetting Series must be an animated, 20 second video. If you have any questions, email Gabriel Nagel at gabrielnagel@lightco2.org or text/call at 720 919 7521. Thanks so much for helping!!!
