

San Antonio Math Include

Provide Greater Access to STEM Education to All Students

Derek C.

**Director of Vancouver, Canada Chapter
Tutor
San Antonio Math Include**

Derek attends The Mulgrave School in West Vancouver, British Columbia, and is a member of the class of 2022. He's an inquisitive student who enjoys working on problems for long periods of time. He has been helping his friends and peers thrive in mathematics since he was in elementary school, and this has sparked a desire to help others all across the world. Coordinate geometry is his favorite subject in school. He likes to write, debate current issues, and play golf in his spare time.
