# Roles of the President

## Directions

1. Research your assigned presidential role. As a team, develop a definition of the role and identify specific examples of the role. Complete the row that corresponds with your assigned role to include your findings.
2. Using your knowledge, design a hat that reflects your presidential role and its importance. Be prepared to present your hat to the class.
3. While each team is presenting, complete the corresponding role in the graphic organizer.

| Role | Definition | Real-Life Examples |
|---|---|---|
| Chief executive | | |
| Chief of state | | |
| Chief diplomat | | |
| Commander in chief | | |
| Chief legislature | | |
| Party leader | | |
