Yes, you heard it right %FIRSTNAME%.

The journey was definitely not an easy one.

This recognition is the result of years of consistent effort.

See %FIRSTNAME%,

Just 8 years ago, I hit rock bottom.

I was forced to drop out of university, leave our house, sell my family business, and declare official bankruptcy.

But here's the thing about rock bottom; there's only one way to go, **UP**.

Yet, I've managed to build a mindset like no other.

Fast forward to today,

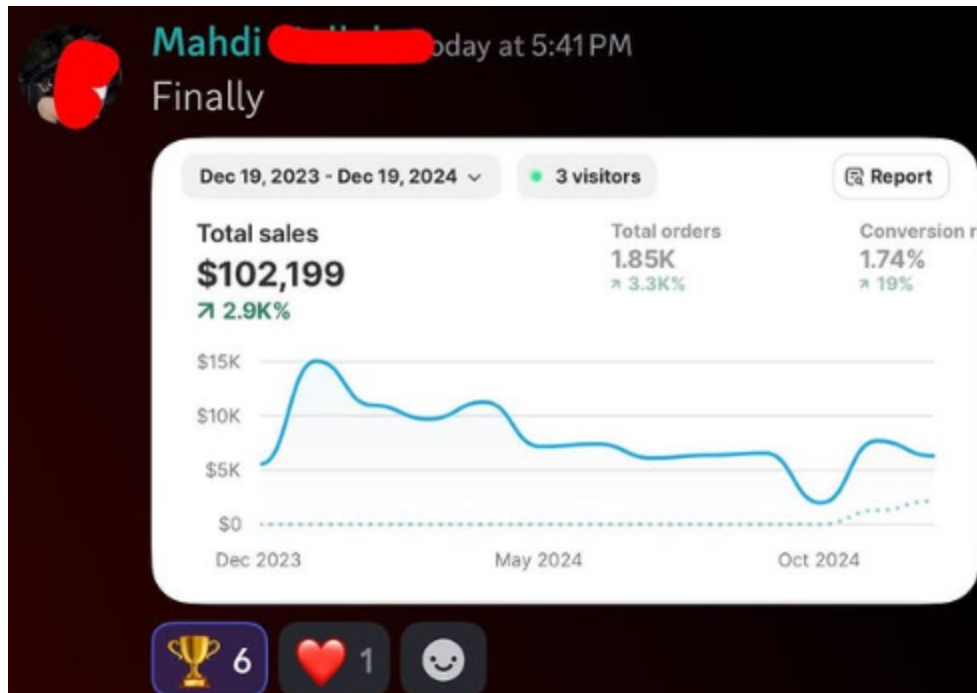

I'm beyond humbled to share that I've been named on Forbes 30u30.

### **How did I do it?**

Through consistency, I built the biggest e-commerce ecosystem in Lebanon, followed by the fastest-growing marketing agency.

From launching my own businesses and mentoring thousands of aspiring entrepreneurs to building their own and transforming their lives.

Let's take Mahdi for example,

Crushing his goals and living his dream life.

Now, honestly I could keep showing you more success stories..., but you already know I didn't land on Forbes 30u30 by accident. 😊

So, if you are serious about transforming your life.

**I've got something special for you:**
