Apply Clear

Step 6: You can upload a transcript for activities that you completed outside of your organization by clicking the **Upload Files** button and selecting the file you wish to add to your CloudCME® transcript. The appended transcript will display at the end of your CloudCME® transcript.

You can store external credit documentation as a convenience by uploading a file (PDF, Word, Excel) here. Use of this feature assumes you accept and comply with all of your signed institution policies with regards to all data. This feature is strictly for educational purposes in storing your credit information obtained previously from other institutions.

Click the + to upload a file. You can also delete files by right clicking on them and selecting delete. Files uploaded to this area will automatically be appended to your transcript. If you are finished, close this window to return to the portal.
