Important Information Session Before The Parent Association Elections

Hello Pelham Gardens Middle School Parent/Guardian(s):

I would like to formally invite you to join us on **Thursday, October 5, 2023 at 5:30pm** for the 2023-2024 Parent Association (Expedited) Elections.

The Parent Association must elect a new President, Treasurer and Secretary to the PA Executive Board. As a member of the Parent Association (all parents of PGMS students are automatically members), your attendance is required in order for the Parent Association to successfully elect a new Executive Board.

To register for the elections, visit our school website [PGMS566.org](https://pgms566.org) and click the link [2023-2024 Parent Assoc. Elections - Oct. 5th](#) in the section that says **Register For Our Upcoming Events**.

Before the elections begin, I will hold a brief, but very important information session for all parents in attendance. This will help you to access and navigate some of the school's resources more conveniently and efficiently.

If you have any questions or concerns pertaining to the information session or the elections, please feel free to contact me via phone at (718) 794-9750 ext. 4263, via email at mleader3@schools.nyc.gov or through our [Contact Form](#) under the **School Information** dropdown on the school website PGMS566.org.

I look forward to seeing you at the elections.

Sincerely,

Tyrone Leader, Parent Coordinator
Pelham Gardens Middle School, 11x566
