Safety Contract

Science Safety Rules:

1. Wear appropriate safety gear, including goggles and gloves, and **closed-toed shoes** when using tools, heat devices, and doing experiments.
2. Follow all instructions carefully when using equipment; do the lab as instructed or ask the teacher if unsure.
3. Keep work areas clean and free of hazards. Sanitize the table and pick up and throw away all trash including on the floor after each period.
4. Pay attention to surroundings at all times.
5. Respect others and the teacher at all times.
6. Report any accidents or unsafe conditions immediately to the teacher. Do not touch broken glass.
7. Do not touch experiment items or smell unidentified substances without permission.
8. Do not touch hot surfaces or equipment without proper protection.
9. Ensure that all tools are in good condition before use.
10. All technology use is tracked. Do not do anything that is not directly instructed. Don't change wallpapers, don't search for things that are not class relevant, and always track which device you used. There will be assigned device numbers.
11. The use of phones is prohibited and will result in the student's phone being confiscated and requiring parent retrieval. Students are welcome to go to the office if they need their phones. See the student contract for more on this.
