

# 2025-26 Syllabus

## Algebra 2

### Rules:

1. Treat others with respect. Be responsible. Be safe. Be here.
2. Bring an Algebra 2 specific notebook, pencils, Chromebook, and Algebra 2 book to class.
3. There are no phones, unless I give you permission. Put them in your locker or the caddy. Otherwise, I will take them and we will follow the handbook related to phones taken away.
4. If there is a snow day or we are home for a virtual day, you will need to check google classroom for your assignment. You will need to check in **and** do the assignment.
5. There is no pop allowed in class. Water is acceptable and encouraged.
6. No hoods to be worn in the classroom. No bluetooth hearing devices. If you want to listen to music during work time, the headphones must be wired to the chromebook.

### Grading:

90-100% - A

80-90% - B

70-80% - C

60-70% - D

Below **60%** - F

Assignments are given almost daily. I do not grade most daily assignments. The graded assignments are due at the end of the unit or chapter. Re-quizzes and re-tests are allowed. All re-quizzes and re-tests must be done by the end of the quarter. However, it is beneficial to take it as soon as possible after the original quiz or test. If you have questions, ask.

Grading will consist of periodic quizzes, chapter tests, modeling projects, computer projects, proficiency tests, and semester finals.

**We recommend TI-84CE Calculators.**

Grading for each semester is as follows:

1st quarter-	40%	3rd quarter-	40%
2nd quarter-	40%	4th quarter-	40%
Semester Final	<u>20%</u>	Semester Final	<u>20%</u>
	100%		100%

### Course Content:

Course Content: Worksheets and assignments from the book, quizzes every 1 or 2 weeks, tests every 3-4 weeks, computer lab time working with GeoGebra, getting familiar with calculators, Friday Stuff, modeling project, CBL labs. We will cover the CCSS standards for Algebra 2. Summative and formative assessments will be administered. You will take Star Math testing that will show growth over time. We will follow the Common Core Standards and use Standard Mathematical Practices.

### My Schedule

1st- Algebra I   2nd- Geometry   3rd-Algebra 2   4th- Enrichment  
5th- Pre-Algebra   6th- Prep   7th- Geometry  
8th-Algebra I   9th- Resource

Our textbook is HMH

If you have any questions, please ask. I will be available at 7:30 a.m., 1st hour, lunchtime, study hall and after school if you need help.

Mr. Webster 715-349-7077 at home. Extension 205 at school. You can also e-mail me. [bwebster@siren.k12.wi.us](mailto:bwebster@siren.k12.wi.us)
