

Perfume shop outreach

Subject: "Let's Spread Your Passionate Fragrances!"

Dear The Perfume Shop,

Your company is known for its 5 star reputation, as you sell and inform many of your perfumes.

As it shows your passion for perfumes and the knowledge you like to feed into it.

I know there's something you would need to fix in order for people to get the true desire you have for perfume.

Which would allow your market to deeply click and explore within your company.

Allowing them to develop their own genuine passion and experience the sublime fragrance you offer.

As a strategic partner, allow me to speak the truth behind every perfume connoisseur.

Which opens your mind to how you could truly open the hearts of yo

Through such descriptive and real words I'll use to describe your perfumes.

Removing all "boring" text and "vague" language which most customers scroll past by.

As for once I've fixed this their hearts become addicted, to the sublime experience of your everlasting fragrance.

Here's a sample I've created personalised for your marketing ads. Just to give you a good understanding of my skills and what I can really do for you.

If this piques your interest and you want to take action to improve your marketing skills, let me know and we can discuss things further.
