

### **The Backyard of my House**

The backyard of my house,  
is special.  
When it rains it gets wet  
like everything else.

Duck down!  
Duck down again!  
The little ducked-down ones  
Don't know how to dance.

H, I, J, K  
L, LL, M, A  
If you don't love me  
Another friend will love me.

H, I, J, K  
L, LL, M, O  
If you don't want me  
I'll get another friend.

Chocolate stirrer!  
Run, run or I'll catch you!  
Stretch, stretch!  
For the devil's going to pass by.

**Description:** This is a common children's song in Spain. The song has no real meaning as one stanza does not pertain to the next, but allows children to practice their speech and motor skills.
