

The Eagle's Eye

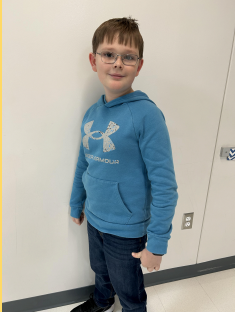

DID YOU KNOW?

Writing helps to clear your mind! We all sometimes need to vent and speak our minds to get our points across. Well, writing helps with that!

Welcome to the Creative Writing Club!

We LOVE to write! We meet monthly and can not wait to provide wonderful reading for you!

Hi. My name is Ethan Zachary. I am 9 years old. I live with my Mom, my Dad, and my brother, Jacob. I used to have a dog named Daisy, but we had to sell her away to a much better family. I had a cat, Shady, (Because all the good names were taken, and she was dark gray), and she might have been the oldest cat in the world. But, she died last year, and her stone still lays outside. I love all science and superheroes, and I am... probably the best video gamer in the school. When I go home from technically anywhere, (after homework), I get straight on the PS5 to play video games. My favorite video games are MINECRAFT, MARVEL's Spider-Man, MARVEL's Spider-Man: Miles Morales, and MARVEL's Spider-Man 2. I like music (specifically pianos and recorders). I even take piano lessons at the Cincinnati School of Music (CSM)! I do like reading and math, (that is why I came here). Well, I did also join because the note said I can get my writing in the daily newsletter (in other words, get FAMOUS!!!!!!). I am a great poet and comedian. And I am a great maker of comics. In fact, I'm making a new series of comic strips at my home called "Ethan the Cretin" where this very dumb guy does very dumb things, like in one stript, he thought a Rubik's Cube was a rainbow box! I am friends with Jason Brunner, Andy Rummington, Ethan Stowell and a kid named Philip Turner, who moved away last year. My favorite food is Pizza, and my favorite drink is water. My two favorite shows are Stargate SG1 and Jackie Chan Adventures. My favorite Book series is called Diary of a Wimpy Kid. And my favorite movie is, well, I am more of a video game fan than a movie fan. But no matter what, you can remember me as "The Kid who knew Too Much."
