

UVIC SOCIETY FOR STUDENTS WITH A DISABILITY (SSD) FOOD SECURITY PROGRAM SUMMER 2023

Intention

The intention of this program is to reduce financial barriers for UVic students with disabilities. This program began due to COVID-19 pandemic-related social distancing and/or self-quarantine precautions, though is now serving to increase food security and access to food for disabled students at UVic.

Eligibility

This program is only applicable to members of the SSD. This includes students at UVic who:

- a) self-identify as having one or more disabilities, and
- b) are members in good standing of either the UVSS or the GSS.

This does not include associate members of the SSD. SSD Council Members are eligible for this program. The program is provided on a first-come, first-serve basis until budgeted funds are exhausted. In the case that there is increased demand, we may increase the budget or begin a waitlist.
