**10 min Minutes for Short 1-2 min Commentary from members/guests**

- [Match Announcement Expert Commentary Video](#)
- Greg - Announced a \$150k Flex-Match for contributions to either of these entities provided by 2030 Fund and Green Advocacy Funds for gifts **before November 23rd.**
  - This match is additional to their planned budget and your donation will unlock new funds not planned to be invested otherwise.
  - You can give to either of these two I.E. organizations via their c3 or c4 pathways to unlock the matching funds which will be allocated strategically to fill remaining gaps by 2030 Fund and Green Advocacy Partners.
- Whit Jones - Lead Locally - Talked about how important this race is and the need for direct candidate support.
- Matt Ewing - Down Ballot Climate Project - Provided a topline summary of their recent poll covering this race
- Michael Kieschnick - Green Advocacy Partners - Explained why his donor group is investing so heavily in this race and how much it means for the Climate movement

**2 Min - Closing Comments - Ning or Greg**

- Please help support these groups and join us Thursday to hear directly from the candidate Davante Lewis

Below is our 1.5° coordinated allocation for the Hold the House for Climate campaign. We also made additional investments in state-wide Senate and Governor races. More detailed campaign debrief to follow after the important runoff elections in Louisiana and Georgia are complete.
