

****Send this email roughly 3 weeks after your initial introduction email.**

***** Attach the 2025 Corporate Sponsorship Packet (ask your CDM for this)**

Hi **Donor Name,**

I hope you are doing well! I wanted to follow up on the email I sent a few weeks ago about our initiative to raise **\$GOAL** for LLS's mission of curing blood cancer!

We would love to meet with you or have a quick call to discuss all of the ways you and your company can benefit from partnering with us on this campaign.

We have also **attached the sponsorship benefits** and below is a link to commit to different levels.

Sponsorship Commitment: TBD, ask your CDM for this!

Did you know leukemia is still the most common type of childhood cancer? We are determined to help all of those kids and would greatly appreciate your help!

Sincerely,
