

I like P.E class! It is fun!

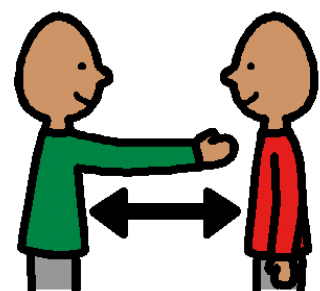

In P.E Class:

- I may use different equipment.
- I may jump rope.
- I exercise.
- I may run

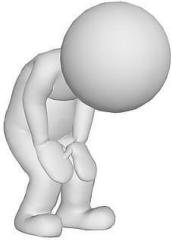

In P.E. Class:

- I need to give other students space
- I should not get too close to them.
- I should stay an arms length away.

- We should include everyone.
- Don't leave anyone out, it may make them sad.

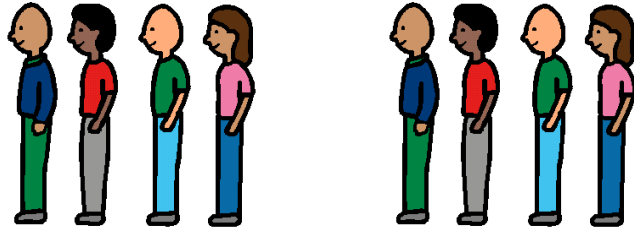

In P.E. Class

- We keep our hands and feet to ourselves so nobody gets hurt.
- Freeze and listen when I hear the whistle

- This is how we line up at the END of Class.
- Line up quietly.

In P.E Class when the teacher is talking.

I should be listening and looking....
