Team Captains

- Ensure that you are available on discord 10 minutes prior to your match
 - The Best of 3 structure means some matches may end earlier than expected
- You will be contacted by a TO before your match
 - Team captains will be asked to ban maps before joining
 - You will then be provided with a lobby code to join
- Please ensure your squad is partied BEFORE joining the private match, this will make sure the game places you all on the same team
- Please stay up to date with match times and updates via the discord
- If there are technical issues with a player upon loading, have your full team IMMEDIATELY leave the match. This must be done within the first minute, and the match will be remade

Ruleset

- Ruleset will be 3v3 Quick Cash
 - Each round will be Best of Three
 - Tournament will be double elimination, with an upper and lower bracket. All teams are guaranteed 4 games (two matches)
 - The bottom two teams in Upper bracket games will drop to the LOSERS BRACKET
- NO role lock or limitations on gadgets/roles/specializations
 - Your team must keep the same team composition (ie. HHM, LHM, MMH) during the entire BO3, this may be changed between rounds
 - Specializations and gadgets may be changed between games of a BO3, similar to World Tour rules
- **No Restrictions on coins**
- This tournament will utilize map banning
 - Before each round team captains will take turns banning maps
 - Each team will ban two maps, the map will be decided between coin flip of the final two
- **No** exploits or ANY form of cheating. For full list:
