

Context:

Making this ad for a kid running a business by himself. He does odd jobs around your house and wants an ad for his facebook page. He works only locally. He mentioned specifically that the ad should cater to older folk who want more free time. He also said it should specifically mention that he is a local business, and that he is a student.

Missing out on precious time with your family? Ever feel like chores come before the things that matter most? Want to spend more time with loved ones but don't want your house to end up in ruins? We get it! Don't waste another moment tackling those never-ending yard chores. Let Me handle it for you!

Hi, I'm Loghan, a student working locally, and for the best prices around, I can:

- *Mow your grass from spring to fall
- *Remove those pesky leaves from your yard
- *keep your windows clean and shiny
- *Pressure Wash your deck and house
- *Shovel any snow that gets in the way
- *Provide General landscaping
