

2nd Grade Science/ Health Activity List

Directions: The following activities are designed to be about 30 in length. Check off an activity when you complete it! To access and complete digitally please make sure that you are going into our

[Google Classroom](#) to access all assignments.

Aside from the activities provided, spending time playing board games and card games, cooking together, telling stories, taking walks, riding bikes, and limiting screen time are all important!

<div>Week 3</div> <div>March 30th– April 3rd</div>		Date Completed
