Bust Examples

Process

- 1) Pick your commission type.
- 2) Contact the artist with references, details, anything of relevance that would help with the image. Please at this time fill out the Commission Form and read the [Terms of Service](#).
- 3) Invoice and payment.
- 4) WIPS and critique. The artist will be in frequent contact with works in progress to ensure everything is to the commissioner's satisfaction.
- 5) Additional payment if applicable.
- 6) Receive commission.

What you get: Fullsize png of your commission

If requested the commissioner also gets a watermarked version of the image to upload in their gallery if they so choose.

*Pricing may greatly depend on the complexity of your character. I will quote a price for you after you contact me with the information required to begin the commission.

Things that may increase pricing:

Characters with highly detailed markings or costumes
A difficult or time consuming pose or theme
Detailed armor or weapons
Multiple characters = 50% added to the commission per character added.
