

Herbal Shield Deodorant - 2.6 Oz / 75 g

Product Analysis

Powerful yet gentle, **HERBAL SHIELD Deodorant** brings together nature's most trusted botanicals for reliable, long-lasting freshness. This aluminum-free formula draws on the cleansing strength of aromatic herbs—Oregano, Thyme, and Australian Tea Tree—to naturally combat odor while respecting the skin's balance. Lightweight and creamy, it glides on smoothly to keep underarms feeling clean and cared for throughout the day. Arrowroot Powder, Magnesium Hydroxide, and Kaolin Clay provide effective moisture absorption without clogging pores, while Shea Butter and Coconut Oil nourish and condition even the most sensitive skin. The scent is crisp and herbaceous, with green, camphorous notes that evoke a feeling of clarity and protection. Enriched with Vitamin E for antioxidant support, Herbal Shield embodies functional purity—where botanical defense meets everyday comfort.

Ingredient Super Stars

Arrowroot Powder & Kaolin Clay

- Absorb excess moisture while maintaining a soft, breathable finish.
- Support natural odor control without blocking pores.
- Contribute to a smooth, dry feel throughout the day.

Magnesium Hydroxide

- Neutralizes odor naturally and effectively.
- Gentle alternative to baking soda for sensitive skin.
- Balances skin pH while maintaining comfort.

Shea Butter & Coconut Oil

- Deeply condition and protect delicate underarm skin.
- Provide smooth application and lasting hydration.
- Help prevent irritation, especially post-shave.

Essential Oils: Oregano, Thyme, Tea Tree (Australia)

- Deliver a clean, herbal aroma that refreshes and purifies.
- Offer natural antibacterial and deodorizing properties.
- Capture the essence of herbal protection suitable for all genders.

Vitamin E (Tocopherol)

- Provides antioxidant protection and supports formula stability.
- Helps maintain skin softness and smoothness.

Ingredient List: Shea Butter (refined), Coconut Oil (refined), Arrowroot Powder, Magnesium Hydroxide, Kaolin Clay (white), Candelilla Wax (or Beeswax), Caprylic/Capric Triglycerides, Essential Oils (Oregano Oil, Thyme Essential Oil, Tea Tree Oil [Australia]), Vitamin E (Tocopherol)

Recommended Usage

- Apply 1–2 gentle swipes to clean, dry underarms.
- Allow a few minutes before dressing to let the formula fully absorb.
- Use daily for naturally clean, herbally fortified freshness.

Target Markets

- Clean beauty and botanical personal care retailers
- Consumers seeking extra-strength, herbal deodorants
- Spa, wellness, and natural lifestyle brands
- Online clean beauty and eco-conscious e-commerce platforms
