The Powerpuff Girls - Knock 'Em Down! ft. Barnaby B. Brightly

Powerpuff! Powerpuff!

Knock 'em down!
Oooh, you gotta knock 'em down!
Knock 'em down!
Oooh, you gotta knock 'em down!

So come on everybody, and play the game
To aim at the game is very plain
To leave a can standing would be a shame
So knock 'em down and make 'em rain

Knock 'em down!
Oooh, you gotta knock 'em down!
Knock 'em down!
Oooh, you gotta knock 'em down!

So step right up... and have a ball!
Throw that ball... and make 'em fall!
And if you wanna know how to win the prize?
You gotta knock 'em down to size

So come on everybody, come on give it a whirl
Come on and be a superhero like the Powerpuff Girls
We're here with Bubbles and Blossom and Buttercup too
They're looking for a winner and it could be you

So step right up and test your skill
Prize to win, might give a thrill
Who says the fun just doesn't pay?
Just knock 'em down today (Hey Heeeyyyyy!)

Bloo and the Foster's Gang - Underground

[Music plays]

It's gone (Gone?!) Gone (Gone?!)
That's right my friends the key is gone (It's gone! Gone. It's gone! It's gone! It's gone! It's gone!)
The key? Gone. What key? What will we do? (Oh no! Will we pull through? Coco?)
There is no key. I know... (It's a catastrophe! Gone!)

What to do without it? (Gone)
We better not live without it! (Gone)
There is no key! (Gone)
Where can it be? (Gone Gone Gone Gone!)

The key to Cartoonivaaaaa!

Woe is me, there is no key! (Coco!)

Woe is me... (What to do without it?) ...there is no key! (Can nothing have got it?)
Woe is me... (What to do without it?) ...there is no key! (Can nothing have got it?) (Where is the key?)
Woe is me... (What to do without it?) ...there is no key! (Can nothing have got it?) (Where is the key?)
Woe is me... (What to do without it?) ...there is no key! (Can nothing have got it?) (What happened to the key today?)

The Powerpuff Girls, Ami and Yumi, and Dee Dee - Behind the Door **ft. Dexter and Mojo Jojo**

Eeny, meeny, miny, moe! (What are you doing? Ughh... games)

Eeny, meeny, miny, moe! (Pick a door and away we go!)
Where to start? I just don't know! (Just say, eeny, meeny, miny, moe!)
I choose that one over there! (Open up... there's no one there!) (Haha...)
Walk right in and see what's behind (No one knows just what we'll find!)

Behind the door door door
Behind the door door door
Behind the door is what you're looking for
If you look some more

Behind the door door door
Behind the door door door
Behind the door door door (Uh oh!)

Behind the door!

Give me back that key!
Don't you know who I am?
Forget it, Mojo! The key belongs with us!

Behind the door door door (Aghh...!)
Behind the door door door

Behind the door! (Ughh, let me out of here!)

Mojo Jojo - All About Me!

ft. Barnaby B. Brightly, The Powerpuff Girls, Bloo and the Foster's Gang, Ami and Yumi, and Dexter and Dee Dee

At last, all the pieces of my master plan have come together in the way that I, the master, had planned!

[rap music begins]

Ever since I was young, my one and only motivation
Was the ultimate desire for world domination
So I dreamed and schemed of being supreme
But every day my plans were doomed, or so it seemed

Give it a rest, Mojo! Yeah, we've heard it all before!
Nobody wants to hear it! Yeah, we all think you're a bore!
Oh, listen to those Powerpuffs sounding so brave!
I guess it's easy to be all caught when you're locked in a cage!

Who is the one who trapped the Powerpuff Girls? (Who?)
Who is the one who will soon rule the world? (Who?)
Who is the one? (Shady) Who is the one? (Baby)
Who? (Yes, it's you!) That's right, it's me!

(Aaaaaahhhhhhh...)
It's me!
(Aaaaaahhhhhhh...)
Listen up!

Now everyone, my plan has begun
And soon I will rule the world!
What about me? I gave you the key
Silence, fool! Can't you see?

It's all about... meeeee! (Hahahahaha!) (Me...)
