

Dear First Graders and Parents,

Welcome to first grade! We are anxious to meet you this September. There are many exciting things to look forward to in first grade. Some of them include learning to read and write, problem solving in math, exploring science concepts, and learning about the world around us. Below you will find some information that we hope will make you feel more prepared for the first day of school.

Students must bring:

- ♦Lunch
- ♦Healthy snack (fruit, crackers, vegetables, etc.)

It is suggested that students bring:

- ♦Backpack and lunch bag
- ♦1 Pack of 3"x5" Post-it Notes
- ♦Plastic Two-Pocket Folder (Solid Color)
- ♦12 Pack of Colored Pencils
- ♦Ear buds (for iPad: Not headphones)
- ♦2 Pack of Fine Line Dry Erase Expo Markers
- ♦ Pencil Sharpener (**One that holds the pencil shavings.**)

Please DO NOT label supplies that your child brings to school EXCEPT for their lunch bag and backpack. Teachers will label everything else.

More information will be coming home during the first week of school. Please check your child's homework folder daily for notices and homework. Relax! First grade is going to be so much fun!!!!

Sincerely,

The First Grade Teachers
