

EAGLE FORD SHALE

WHO TO CALL WHEN THINGS GO WRONG:

National Response Center - 800-424-8802 or 202-267-2675 or <http://www.nrc.uscg.mil/>

The National Response Center (NRC) is the sole federal point of contact for reporting oil and chemical spills.

U.S. Environmental Protection Agency EPA - Tip Line **877-919-4372**, email eyesondrilling@epa.gov

"Eyes on Drilling" Report dumping and other suspicious hauling or disposal activity and runoff to EPA Region 3 and they will forward your complaint to Texas Region 6 or call EPA Region 6, 800-887-6063

Texas Railroad Commission – 24 Hour Accident Reporting Emergency Number (512) 463-6788, Complaint Hotline 877-228-5740 (option 5)

Texas Railroad Commission regulates the exploration, production, and transportation of oil and natural gas in Texas and also regulates oil field injection, disposal wells and waste disposal, contamination of private water wells.

The Railroad Commission does not have jurisdiction over roads, traffic, noise, odors, leases, pipeline easements, or royalty payments.

Call the Texas Railroad Commission district office for your county: (only counties with active permits as of 6/1/11 are listed)
