

Mipmap Privacy Policy

At Mipmap, your privacy is important to us. To better protect your privacy we provide this notice explaining our online and software information practices and the choices you can make about the way your information is collected and used.

We collect some information that might be considered personal identifiable information under European GDPR. Personal information is only collected in so far as it is technically required to provide the Service. We use technologies like cookies (small files stored by your browser), web beacons, or unique device identifiers to anonymously identify your computer or device so we can deliver a better experience. Our systems also log information like your browser, operating system and IP address.

We do not collect personally identifiable information about you. In other words, we do not collect information such as your name, address, or phone number. If you choose to share your email with Mipmap, it will not be shared with any other parties and any promotional materials will contain an unsubscribe link.

We do not use or collect your precise geographic location.

We generally do not share personally identifiable information (such as name, address, email or phone) with other companies.

Ad companies may use and collect anonymous data about your interests to customize content and advertising here and in other sites and applications. Interest and location data may be linked to your device, but is not linked to your identity.

We do not knowingly contact or collect personal information from children under 13. If you believe we have inadvertently collected such information, please contact us so we can promptly obtain parental consent or remove the information.

If you are under 13 years of age or a minor in your country of residence, please ask your legal guardian for permission to access Mipmap apps after your legal guardian reviews this Privacy Policy. If you or, as applicable, your legal guardian, disagree to any term provided herein, you may not install, access and/or use our apps and are requested to promptly erase them from your mobile device.

In our applications we use services listed below. You should ensure that you read their terms of use and privacy policies to understand how they treat your information and in order to understand the methods for changing the privacy or sharing settings on such services. If you do not agree to the practices described in such terms you should not use our apps.
