Welcome to Enroll Austin

This manual will help you complete enrollment/registration.

If at any point you need help, you can ask the registrar at your school or file an [AISD Help ticket](#).

The basic steps to enroll/register:

- Access the Enroll Austin application by logging in or creating a new account
- Confirm family information
- Confirm registration to zoned or continuing school (ITE) OR create a program or general transfer application.
- Submit Intent to Enroll (ITE) or program or general transfer application.
- Check for next steps.
- Complete and submit annual forms. *(Annual forms must be completed and submitted successfully to generate an Austin ISD student ID number for newly enrolling students.)*

For newly enrolling families, your parent portal account will be generated once at least one student has an Austin ISD student ID generated.

Annual re-registration and completion of annual forms is required of all students, every year!

What documents should I have ready to complete my annual forms?

All families returning to Austin ISD will need to submit the following documents:

- Child's immunization records (each year as updated)
- Parent/Guardian photo ID (if updated)
- Proof of guardianship (if applicable/updated)
- Proof of residency (each year. This can only be a current, within 45 days, electric bill, gas bill, lease or mortgage statement, property should be homestead)

Additionally, families enrolling for the first time will need to provide the following documents:

- Child's birth certificate (This can also be substituted with other documents that establish the child's identity, such as a statement of the child's date of birth issued for school admission purposes by Texas Vital Statistics, a passport, a school ID card, records or report card, a military ID, a hospital birth record, an adoption record, a church baptismal record, or any other legal document.)
- Child's immunization records
- Child's social security card (optional)
- Child's withdrawal form/last report card (if applicable)
- Parent/Guardian photo ID
- Proof of guardianship (if applicable)
- Proof of residency (This can only be a current, within 45 days, electric bill, gas bill, lease or mortgage statement, property should be homestead)

What documents will I need to apply for Pre-K?

PreK registration begins April 1 as the Texas Education Agency does not allow school districts to begin processing Pre-K documentation until April 1 of each year.

All families applying for Pre-K will be asked to provide the following documentation, in addition to the documents above:

- All applications for Pre-K:
 - Proof of Income: Most recent pay stub or unemployment statement, worker's compensation, disability payment, or no income statement
- If applicable to your family:
 - SNAP or TANF: Most recent proof of benefits to include effective dates, eligibility number, and child's name
 - Military Service: Statement of Service, Letter from Veterans Affairs stating eligibility for disability or Letter from Commanding Officer. Do NOT upload copies of Department of Defense identification
 - Foster Care: DFPS Verification Letter of PreK Eligibility or other documentation of foster care.
 - Star of Texas Award: Certificate or Letter from Governor or state representative

HOME LANGUAGE SURVEY

19 TAC Chapter 89, Subchapter BB, §89.1215
(Home Language Survey only administered during initial enrollment in Texas public schools)

To be completed by Parent or Guardian for students enrolling in Prekindergarten* through grade 8 (or by students in grades 9-12).

*Prekindergarten includes any student enrolling in a 3- or 4-year-old school program.

Part One:

The state of Texas requires that the following information be completed for each student who enrolls in a Texas public school for the first time. It is the responsibility of the parent or guardian, not the school, to provide the language information requested by the questions below.

Dear Parent or Guardian:

Please answer the questions below about the languages your child or family uses. If your responses indicate the use of a language other than English, the school will conduct a language proficiency assessment to determine how well your child communicates in English. This information will be used to determine any appropriate linguistic supports and inform instructional recommendations. If you have questions about the purpose and use of the Home Language Survey, or you would like assistance in completing the form, please contact your school/district personnel. This survey shall be kept in each student's permanent record folder. A copy of this survey shall follow the student while enrolled in any public or open enrolled charter school in Texas.

Part Two:

Please answer the questions to the best of your ability.

1. Which languages are used at home?

Select All that Apply

2. Which languages are used by the child at home?

Select All that Apply

3. If the child had a previous home setting, which languages were used? If there was no previous home setting, answer Not Applicable (N/A).

☐ By checking this box, I understand a request to correct an error to this Home Language Survey can only happen if:

- 1) my child has not yet been assessed for English proficiency; and
- 2) corrections are made within two calendar weeks of my child's enrollment date.

Adding a New Student

- ★ In the My Students section, locate the blue New Student box, and select Enroll a New Student.
 - Take care to determine if you need to create a new student versus adding a student to your account using their Austin ISD student ID, as duplicate student files causes errors in the system.

The screenshot shows a web interface with a section titled "My Students". Inside this section is a blue box titled "New Student?". The text inside the box says: "If your child has never before attended a Austin ISD School, you can add them to your account and start their application." Below this text is a white button with the text "Enroll a New Student".

- ★ Complete all boxes and select Next.

The screenshot shows a form titled "Enroll a New Student". Below the title is a paragraph: "Complete the following information if your student does not currently attend any school within the district. If your student does currently attend a school within the district, please return to the previous page and click "Add Them To Your Account."". The form contains several fields:

- Student First Name: Text input field with a red "..." icon.
- Student Middle Name: Text input field with a red "..." icon.
- Student Last Name: Text input field.
- Student Generation: Dropdown menu with "--None--" selected.
- Student Date of Birth: Text input field with a red "..." icon and placeholder "MM/DD/YYYY".
- Student Gender: Dropdown menu with "--None--" selected.
- Student's Current Grade: Dropdown menu with "--None--" selected and a blue information icon.
- Student's Grade Next Year: Dropdown menu with "--None--" selected.

At the bottom of the form is a checkbox labeled "My student was previously enrolled in Austin ISD". Below the checkbox are two buttons: "Back" and "Save".

- ★ Congratulations! Your new student will now have a box in the My Students section of the page.

Accepting/Declining a seat offer after the lottery

★ Once lottery results are delivered you will be able to see results via email and under “Next Steps”

★ If your student has been offered a seat, you must accept or decline the offer within 14 days. The offer will expire if you do not accept it.

-If your student was waitlisted, you will be notified if a seat becomes available. Please note that for some programs, waitlist positions may change as other rounds end.

Status Notifications:

Offer Extended: Student was assigned a seat via the assignment process and needs to accept or decline the offer. Action is required within 14 days of the offer date to prevent this offer from expiring.

Waitlisted: There are currently no available seats. Your student has been assigned a waitlist number. If a seat becomes available, your student may be sent an offer.

Accepted-Pending Registration: After you have accepted an offer, this will be the status. All families must complete Annual Forms. This status will NOT update once Annual Forms are submitted. The confirmation email will be your final status.

Assigned Higher Ranked: Student was assigned a higher-ranked school. Once a seat is assigned during the assignment process all lower ranked schools will receive this status.

Not admitted: student was not eligible for the program

Removed: Parent or Guardian has removed student(s) from the waitlist.
