The KPFK-LSB Outreach Committee is inviting you the monthly meeting the last Sunday of the month, June 25, 2023, 11:30 AM (PDT), via Zoom (info below).

Per Pacifica Foundation Bylaws, the LSB Outreach Committee is not constrained by Roberts Rules, rather is an open membership body, where all are welcome to participate, heard and vote.

There is still an ongoing PNB-Pacifica National Board interference with our local KPFK 90.7 LSB-Local Station Board governance. On March 26, our LSB had to hold an additional continuation meeting, which is the last Sunday of the month. meeting. And by April, a pending Court ruling to intervene, only ordered LSB Elections, and is still ongoing… For more info, visit www.kpfknot4sale.org

Because of this Court Order, recently the PNB has started an internal process to get the Pacifica Foundation LSB Elections under way this year 2023, to make up for its cancellation in 2022. Therefore, now more than ever, the annual $25.00 membership is crucial @ www.kpfk.org

June 30th is dealine for membership to vote for the LSB Candidates. Please renew your membership if lapsed as soon as possible. To qualify, membership must be active between July 1st 2022, and June 30, 2023.

To sign up to run as a Candidate, please go to: www.pacifica.org

And click on the upper left pane "Elections 2023", to get to the Election's mail page. You must do so before June 30th. And all mailers need to be postmarked June 30, 2023.

We need to coordinate virtual/electronic ideas to spread KPFK's presence throughout the Station signal area moving forward. Volunteers are in demand to help spread the word about KPFK 90.7 FM Non-Commercial listener supported radio station since 1959. KPFK celebrates 64 years in July.

This Committee needs to start planning the 1st 2023 KPFK-LSB Town Hall event. We have not yet been able to hold any T.H. this year, two are required annually per Foundation Bylaws.

- Update on Station matters …
- As usual, we will review recent outreach efforts and plan new activities.
- Go over comments/suggestions from Listeners/Members, itemize issues if need be, to share with the KPFK IGM Michel Novick and LSB.
- Our current financial condition requires immediate strategies to help KPFK get over this current funk.
- Please bring your brainstorming ideas/suggestions, to collaborate.
