

TRANSFERS BETWEEN DIFFERENT CLUBS

Windows are July 1 2024 to Sep 23 2024 and
Jan 1 2025 to Jan 28 2025.

The procedure to be followed is the procedure in Comet.

INTERNAL TRANSFERS IN A CLUB BETWEEN 2 TEAMS

Comet does not have a procedure for this. Therefore the following system will apply:

Club sends email to Eddie Doyle – it MUST come from the Club Hon. Secretary

1. Subject line must read – CLUB NAME – INTERNAL TRANSFER REQUEST (eg Douglas Hall – Internal Transfer request)
2. In the body of the email list Players Name, Players Comet ID number, Team the player is leaving, team the player is going to (eg Douglas Hall, ID No. 999999, Leaving U13A, Going to U13B)
3. I will make the player INACTIVE on the U13A team and advise you
4. You can then, and only then, allocate the player to the U13B team
5. I will receive an email from Comet when you allocate the player and I will then make him ACTIVE on the U13B team
6. The same transfer windows apply
7. If a player has played in a cup match with the players original team, he is cup tied, and therefore cannot play in the same cup competition with the players new team

**UNDER NO CIRCUMSTANCES CAN ANY CLUB MOVE A PLAYER FROM ONE TEAM TO ANOTHER
WITHOUT THE PERMISSION OF THE LEAGUE**
