

Mystery Reader Program Spring 2025

Thank you for your interest in our Mystery Reader Program which is designed to allow children's special grown-ups to come for a visit with their favorite books. As a volunteer, you will bring a book (if you need a copy of one, just let us know and we can look through our library!) and read to the entire group of children at BASE that day. Don't worry, BASE staff will keep your visit a surprise 😊 **The Mystery Reader program will take place every WEDNESDAY from 3:30-3:45 pm** (with the exception of **Read Across America Week 3/3-3/7**, each of these days we will have a reader from 3:30-3:45 pm). Any questions, email Emily at emily@basefortatkinson.org.
