PERMOHONAN BARANG PENGGUNA		

PERMOHONAN BARANG LOGISTIK

The screenshot shows a web browser window with the URL `https://logistik.unas.ac.id/pengurus/per_logistik.php`. The page header includes the logo of Universitas Nasional and the text "LOGISTIK DAN INVENTARIS UNIVERSITAS NASIONAL". Below the header, there is a navigation bar with the user name "Saptomo Setiawan, S.P., M.M." and a "Logout" link. The main content area is titled "Permohonan Barang Logistik" and contains a sidebar with links: "Home", "Permohonan (+)", "Persetujuan Pimpinan", "Lihat Kuota", "Laporan BAU (+)", and "Laporan (+)". The main area has buttons for "Tampilkan" and "Tambah Data". Below these, there is a form with a dropdown menu for "Atasan" set to "Saptomo Setiawan, S.P., M.M.". A table displays a single row of data:

No	Nama Barang (Kuota)	Satuan	Jumlah	Aksi
1	Aqua gelas (1)	Dus	1	Hapus

Below the table is a "Simpan Data" button. At the bottom of the page, there is a footer that reads "Design and constructed by BPSI © Universitas Nasional - 2017 All Right Reserved". The Windows taskbar at the bottom shows the date and time as 12:22 on 16/10/2018.
