

VoidedAurora/s Adoptable T.O.S

Terms of service

Edited: 9/8/24

Some things to note before reading:

My T.O.S is subject to change so please check back occasionally if needed.

ABSOLUTELY NO REFUNDS!

GENERAL

- Commissions, customs, adoptables, or my art in general is NOT for commercial use unless discussed and agreed upon between the commissioner and I.
- You may NOT use art of any adoptables, commissions, or customs in ANY FORM if you are not the one who owns the character without explicit permission from myself or the owner.
- My art is not to be traced, used as NFT, or for anything AI related PERIOD.
- After purchase of an adoptable, custom, or commission I may use them for portfolio, advertisement, and generally anything of that nature. [I need examples to sell my art silly!]
- You, as the buyer are allowed to repost and/or share the completed artworks/designs online as long as I am credited properly when appropriate. [I have most socials so just @ me!]
- I do not allow the reselling of my designs for a higher price than you paid for unless you've purchased additional artwork of the character [essentially whatever you sell it for must = the original buying price or lower + whatever the additional art cost altogether]

- As the owner of the adoptable you may redesign the character as long as I am still credited as the original designer.

PAYMENT

- I do NOT offer payment plans for adoptables, it needs to be paid all at once.
- If you do NOT have the immediate funds to purchase an adoptable you may ask for me to put it on hold
- When you ask for an adopt to be put on hold there will be a required [NON REFUNDABLE!] downpayment fee to go towards the full amount owed.
- Backing out on any payments without letting me know or having a valid reason will result in possibly being **blacklisted** from my commissions and/or adoptables
- Ghosting me after agreeing to pay WILL result in a blacklist from all commissions and/or adoptables
- Payment is expected within 5-24 hours after contacting me to purchase [**unless we've discussed otherwise**]
- If you do not pay within the 5-24 hours the adoptable will automatically be given to the bidder directly below you or reposted for bids

Refund policy

I do NOT offer cash refunds, if you wish to return an adoptable you may swap it out for a custom or artwork made by me that amounts to the value of the ORIGINAL price you paid me for the adoptable (I will not compensate for additional artwork that may have been purchased of the character)

I am not obligated to accept a refund/swap request but will always consider and think about it.
