

TK Supply List 2025-2026

Dear Parents,

The following is what is commonly referred to as a "Supply List" that teachers send out to parents each year so that students can come prepared on the first day of school with the appropriate supplies. You will notice that the list is called "Requested Donations." TPS is not allowed to charge students or require students to pay for materials and supplies that are needed for daily instruction or activities. However, these supplies are needed to accomplish the vision and mission of TPS, and would be greatly appreciated as donations.

Again, this list of materials is not at all mandatory and we do not want parents to feel any pressure to purchase them. At the same time, if you would like to donate any or all of these supplies to your student's classroom, it would be greatly appreciated by the school and especially by your student's teacher. With your help, we can continue to maintain the quality of education that we've come to love at TPS.

Please note that all gifts to the school are tax deductible and all non-cash donations of \$250.00 or less do not require a receipt.
