Club and Organization Group Pictures

Club Photo Dates: December 1 and 2, 2025

When will my group photo meet?

See our google doc here the schedule - [CLICK HERE](#) - link will be live in Mid-Nov.

At this time we do not have club group pictures planned. Once we receive final guidance on which clubs may be active, we will determine the best method of representing these groups.

Please be prompt. Please understand that if you are late or miss the photo, it cannot be retaken due to publication deadlines. See your adviser for more information.

How was this schedule made?

A survey is sent to all LACS Staff. All staff who are advisers for a club or organization request a date and time when they are available to be present for the photograph. From this information, we create the schedule. Club advisers should notify members of the time to meet.

What if I miss my photo?

Unfortunately, students who miss the photo will not be included. There are no retakes for this session. Only students in the organization are permitted to be photographed.

Athletic Team Photos

Sports team photos are scheduled by the Athletic Department Office. Teams or students who do not appear on the picture day may not be included in the yearbook, so please be present. You have the option to purchase an individual package, as well. Please see the link to flyer below to order.
