

Blue Hill Weather Observatory October 16, 2018

Dear Families,

The second grade classes are going to the Blue Hill Weather Observatory on Tuesday, October 16, 2018, weather permitting. We will leave Happy Hollow at **9:00** and return at about **1:45**.

The cost of the trip will be \$25 per student. There is no cost for the chaperones. Each second grade class will participate in three activities: a guided hike around parts of Blue Hill, a guided tour of the weather observatory, and a kite-making workshop. A schedule will be provided for chaperones.

We will eat snack and lunch at the observatory. Students must bring their own **snack and lunch** in a paper or plastic bag -- no glass containers or nut products, please.

If you are interested in being a parent chaperone for this fun adventure (which includes a hike), please check off the section below. In order to chaperone, an approved **CORI** must be on file in the school's office. If you do not have one, please contact the school office.

PLEASE RETURN THE PERMISSION SLIP and CHECK (checks only, please) made out to "Happy Hollow School" by FRIDAY, October 5. THANK YOU.

Please sign and return this section.

_____ has my permission to attend the field
(student's name)
trip to the Blue Hill Observatory & Science Center on Tuesday, October 16, 2018
(or Friday, October 26, if rain date is necessary).

Parent Signature

Chaperones:

Teachers will notify the parents who will accompany us. If we have more than enough volunteers, chaperones will be selected by lottery.

_____ I would like to chaperone on the 16th, and I am able to chaperone on the 26th if necessary.

_____ I have contacted the Happy Hollow office to check my CORI status.
