Qualitative Measures of Teaching Performance Scale (QMTPS)

- The purpose of the QMTPS is to describe the quality of teaching processes during a lesson.

Task 1						
Clarity	**Demonstration**	**# of Cues**	**Accuracy of Cues**	**Qualitative Cues**	**Student Responses**	**Specific Congruent Feedback**
Fully Clear	Full Model	3 or less cues given	All info presented	Yes	2 or fewer inappropriate student responses	3 or more instances of congruent feedback
Partially Clear	Partial Model	More than 3 cues given	1 or more inaccuracies	No	3 or more inappropriate student responses	1 or 2 instances of congruent feedback
Not Clear	No Model	No cues given	No cues given		No appropriate student responses	No congruent feedback given.

Task 2						
Clarity	**Demonstration**	**# of Cues**	**Accuracy of Cues**	**Qualitative Cues**	**Student Responses**	**Specific Congruent Feedback**
Fully Clear	Full Model	3 or less cues given	All info presented	Yes	2 or fewer inappropriate student responses	3 or more instances of congruent feedback
Partially Clear	Partial Model	More than 3 cues given	1 or more inaccuracies	No	3 or more inappropriate student responses	1 or 2 instances of congruent feedback
Not Clear	No Model	No cues given	No cues given		No appropriate student responses	No congruent feedback given.
