

Davenport Tri-Tacular Cross Country Meet

DAVENPORT
Community Schools
G R O W I N G E X C E L L E N C E

Description: Our goal is to create a competitive environment so that all of our athletes can get the type of training that only a meet can offer. We desire to do this in a way that minimizes human contact in order to reduce the spread of Covid-19. Therefore, this will be a very minimal meet. While there will be a full painted course and finish line, we will not have full finish timing, scoring or awards.

Date: ~~Thursday, September 10th~~ **Friday, September 11**

Course: North High School--626 W. 53rd St., Davenport, IA, 52806

*The course is located behind the school with the start and finish located closer to the West side of the building.

Distance: All races will be 5000m.

Race Time: Boys 5k @ ~~5:00pm~~ **4:00pm**; Girl's 5k @ ~~5:50pm~~ **4:50pm**

Teams: Davenport Central, Davenport North, Davenport West

Timing/Scoring/Finish Line: As we do not have access to affordable chip timing and we do not want to expose workers and athletes to the contact of a bib/tag system, we are asking that each school records times for their own athletes. We will have a volunteer recording times and the general order of the race so we can determine a winning team. We will compile this list and send it out after the meet.

We are asking athletes and spectators to keep the finish area clear. There is a hill over the finish line that will offer great views for spectators.

Course Information: Our course has some hills, and a couple of short but wide wooded trail passages--the course will be two loops. We will have mile-marks labeled on the course. We will also have some cones set-up at various spots on the course--athletes should stay to the right of the cones. There will be three large (luxury) starting boxes. Please have your teams at the starting line 10 min. before the start of each race. At the finish, athletes should exit the finish-area as soon as possible so that we can keep the area clear.

[See the map here.](#)

Restrooms: Restrooms will be on the east side of our athletic facilities on the back of the building by the softball diamonds and in the new field house also by the softball diamond. Basically follow the road behind the building to get to the restrooms.

Spectators: Due to Covid-19, we will need all spectators to wear a mask on the campus. Athletes should wear a mask on the course except when they are running. Additionally, we ask that spectators remain 6-feet apart at all times. It is crucial to keep the finish-area clear for the athletes.

Parking: Spectators can park on the west side of the building. There is overflow parking on the east side in front of the auditorium and the YMCA. Please do not park in spots designated as for the YMCA.
