HOW TO ENTER A HOST CODE

- To use a host code, orders must be placed through the online store. Check that your demonstrator's name is in the upper left corner to ensure your order is placed with them.
- To begin shopping, log in or create your own personal account.
- Add products to the shopping cart.
- AT ANYTIME BEFORE CHECKING OUT . . . Enter and apply the HOST CODE you received from your demonstrator.

Click “ADD HOST CODE” to expand the box so the code can be entered.

- Don't forget to click the “APPLY” button once the host code has been entered – the code will not be entered unless APPLY is clicked.
- Complete shopping then CHECKOUT to enter shipping and payment information.
