

W3C Technical Plenary

Credentials Community Group - Face-to-face Agenda

Tuesday, October 28th, 2014 - 11am-3pm - Web Payments IG Room

Introduction (11:15am-11:45am)

- Brief introduction to those that are new to the work
- <http://opencreds.org/presentations/2014/tpac-credentials/>
- Introduction of people that weren't in Web Payments IG meeting

High-level Goals (11:45pm-12:30pm)

- Coordinating work with Web Payments IG
- Making a case for a technical working group for Credentials
- Merge technical work - Open Badges and Identity Credentials
- Finalize Use Cases by Q4 2014
- Finalize Roadmap by Q1 2015
- Technology Demonstration by Q2 2015?
- Coordination with other groups

Lunch (12:40pm-1:20pm)

Demo / Use Cases / Roadmap (1:30pm-2:30pm)

- Identity Credentials Demo / Open Badges Demo / TrueCred Demo
- Design Criteria Review
- Use Case Review
- Credentials Vocabulary (led by Badge Alliance?)
- Endorsements (clarify meaning)
- What can we cut? What's missing?

Future Planning (2:30pm-2:50pm)

- Discuss call time/location/duration/frequency
- Coordinating work with Web Payments IG for Credentials WG
- Coordination with IMS Global, PESC, Badge Alliance, Caliper, etc.
- Driving W3C membership to understand Credentials
