

# Identity Day

## (Get to Know Me Better Day)

### PURPOSE:

1. Allow students to demonstrate who they are or the gifts God has blessed them with.
2. Allow students to highlight themselves to create more belonging with the CCLS family.

### WHAT THIS PROJECT IS:

Each student will create a project about themselves that answers the question: “What is one or two things about yourself that you would love to share?” This could be an area of strength, talent, an area of interest, something about a student’s culture or family history, or something of which they are proud.

### WHAT IS IDENTITY (get to know me better) DAY?

This project helps others see your interests, likes, hobbies, passions, things you excel at, learn about your family and more.

Students complete a project about something meaningful to THEM!

### HOW THE PROJECT WILL BE PRESENTED:

- Students (and staff members) will have a variety of options and platforms they can use to share. Options:
- a display board
  - iMovie
  - powerpoint or google slideshow
  - poster
  - video
  - or even a demonstration along with some key information
  - other creative options

\*NOTE: Projects should contain images, artifacts, and other resources that students have collected or that showcase their topic.

\*NOTE 2: Families are encouraged to help!

\*NOTE 3: Every child should see every other project in the school

COMPLETION DATE:

This project is to be completed and brought to school for set up and sharing on **Friday, January 26 during LSWeek**
