Show understanding.

Pick **three** terms. Write 2-3 sentences to show your understanding. You can use images if you like.

Example

Intent. The journalist was intent on getting all the facts of the story about the lost puppy, so they interviewed the family and all the neighbors. Hopefully the news article will help find little Hercules.

Example

Sift. I had to sift through all of my great grandma's old photos to find some good ones to make a display board of her when she was young. An old school friend is coming from overseas to surprise her for her birthday and we're going to have a party to celebrate.
