b3s34 is a new conways game of life ruleset.

still lifes

blocky

this guy here is named blocky. he's a still life and a tetromino.
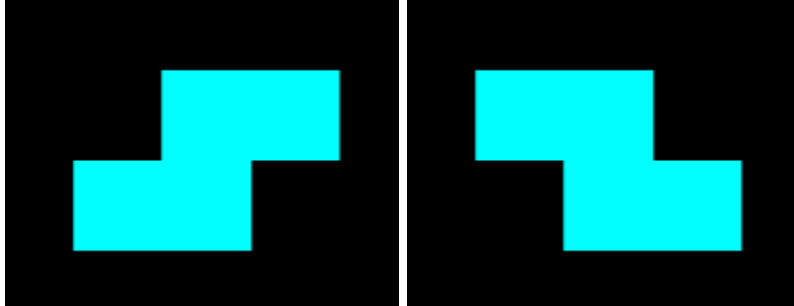

quadrablocky

this may look like a sparkle, but its actually 4 blockys put together.
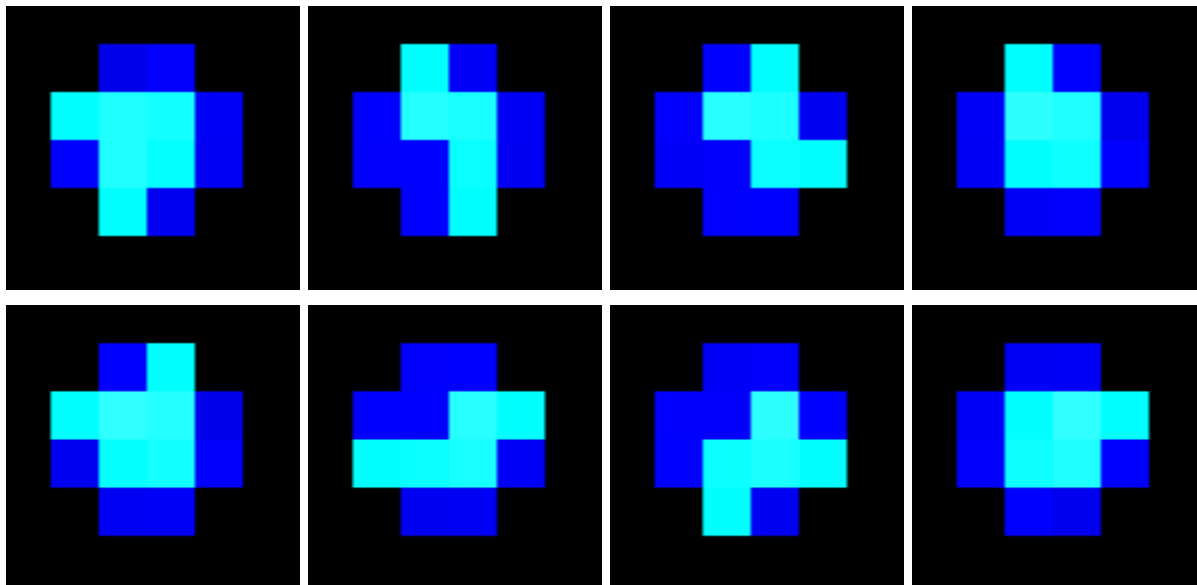

flickys

s man

s man is a flicky thing that goes between these two states.

chairy

chairy has 16 states it cycles through, or more accurately, 4 states and 4 rotations it cycles through. chairy was named from obvious reason and common sense.

fadeys

sparkle

sparkle is named after sparks, and this goes away in one generation.
