

Callbacks for the Fall 2018 Production of "Flowers For Algernon"

PLEASE READ: You will not be able to see the callback list until you read this note. First I'd just like to thank you all for entertaining us with your fantastic monologues. This is a very talented cast, which only makes role selection all the more difficult.

Those of you asked to return for callbacks have been selected for one simple reason- I have not seen enough of you to pick which role you are best suited for. This is the sole purpose of callbacks. I cannot emphasize this enough: being asked to return for callbacks (or not being asked) does not say anything at all about your talent or your audition. It does not tell you whether or not you are being considered for a lead. In fact, for this production every student will get a speaking role, a huge rarity for a drama. Being called back only means that I need to see more of you before I can decide on your role. Thus, if you were not called back, this merely means your part has already been selected. For those of you who a callback is not necessary for, (and really for everyone), the full cast list will be sent to you this Wednesday. For those of you who will be attending callbacks, please arrive NO LATER than 6:30 PM at the auditorium on Tuesday of this week.

EVERYONE: OUR FIRST REHEARSAL WILL BE FRIDAY, SEPTEMBER 21st. We will be handing out rehearsal schedules, doing a reading of the full play, and going over all expectations. Arrive promptly at 6:30 PM, preferably a few minutes earlier. There is a saying in theatre that being on time is the same as being late! Now for the callback list. To see the list of students asked to attend callbacks, highlight the text for the entire page. It is written in white ink below. If you don't know how to do that, put your cursor over the bottom of the page, click, and drag upward.
