2. Double-line Graph

2.Computer-Generated Double Line Graph

3. Graph Analysis & Goal

3. Graph Analysis and Goal

My sleep Goal

- **My personal goal is to get 9-10 hours to sleep**

Plan to Reach my Goal:

- **Read a 20 minute book by 8:10 and finish at 8:30**
- **Leave my electronics by at least 8:30**
- **Go to bed by 8:40 or 8:45**

4. Sleep Room Art

4. Sleep Goal Room Art

My artwork would show how I want to reach my goal to reach 10 hours of sleeping by following my bedtime routine so I could have a strong brain full of energy so for the next day to be happy and ready to start a wonderful day.

Purpose of My Art:

- Is going to remind me how every night I need to leave my electronics to the side and fall asleep for 9-10 hours
