What is the DEIW Resource Hub?

The DEIW Resource Hub will be a digital repository dedicated to exemplary DEIW curricular and instructional resources. This is not just a collection; it is a powerful tool designed to celebrate our diverse community and to support our ongoing commitment to inclusivity and equity. Aligned with our DEIW Cultural Calendar (see attached), this hub will serve as a vibrant space that uplifts our shared values, showcases innovative practices, and strengthens our collective impact throughout the year.
