

Hello Gabriel

I hope this email finds you well. I recently came across your YouTube channel and was thoroughly impressed by your skills and expertise within the Muay Thai and Kickboxing world. I was really inspired to go out and really learn the the fundamentals behind Muay Thai

I was looking over your website and I couldn't help but notice that your website has a lot of potential for growth and a few problems. I couldn't click on your links to email you about programs ect.

Would you be interested to find out what ways you can improve your website, and can I ask what your goals are? I see that your doing promotions for other brands on your channel but have you thought about selling your own merchandise

Please let me know if you're interested in taking me up on my offer, to set up a call at your convenience to discuss further.

Once again, thank you for your inspiring content and I look forward to hearing back from you.

Best regards,

Calum Brown
