

POSITIVE REINFORCEMENT

OF BEHAVIOR *(Be specific!)*

I like the way this group/side of the room/these rows: • is/are ready to listen • has/have their eyes on me • has/have their eyes on the overhead • has/have their materials ready • are starting the warm-up/activity	
I see... • 7 students eyes on me • these groups are doing their warm-up • 3 quiet hands, 4 quiet hands, 7.... • these rows are ready...	
I like how quickly the class.... Thank you for getting ready so quickly...
