Classwork 4

General Topic: Identify official sources of weather information

Specific Topic: Customizing 180wxbrief.com

Materials: http://1800wxbrief.com

Activity Time: 10 Minutes

Note to Instructor: Before beginning this activity students will need to register with the website. Note, there are other sources of weather data http://www.aviationweather.gov and http://www.weather.gov.

Learning Goals and Objectives:

1. Introduce students to official sources of weather information
   a. Customize the 1800wxbrief.com dashboard to display local airport weather data

Title: *WX Dashboard*

Learning Activity:

- Log into 1800wxbrief.com and Edit your favorite airports.
- Use the FAA's Airport Facility Directory to choose 3 local airports with Automated Weather Sources as your favorites.
- Airport/Facility Directory – Advanced Search
- When you finish, submit a screenshot of your dashboard.
