

#### CONSENT TO DISCLOSE STUDENT DATA WITH A WEBSITE/APPLICATION

Per my rights as a parent found in the Family Educational Rights and Privacy Act (FERPA), [34 CFR § 99.30](#), I provide this signed and dated consent for [\[insert name of school/district\]](#) to disclose information about my student.

#### Description of Disclosure

- **Records to be disclosed:** [\[list the records to be disclosed\]](#)
- **Purpose of disclosure:** [\[specify purpose for the disclosure\]](#)
- **Data recipient:** [\[specify the website/application that will receive the data\]](#)

**Acknowledgements** [\[Note: this section is not required by FERPA, though it may be helpful for a parent to fully understand the implications of what they are agreeing to\]](#)

- I may request a copy of the records disclosed to the data recipient.
- I waive all data protections and ownership claims on the data as described in [Utah Code § 53E-9-309](#). Any data protections, ownership, or retention will be governed entirely by the terms of service and privacy policy of the data recipient, which may or may not change at any time without notice in accordance with the data recipient's policies, as found here [\[provide the URL for the terms of service and privacy policy so the parent may review\]](#)
- The data recipient's policies may or may not have been reviewed by the school.
- My child's usage of the data recipient's website or application is based solely on the consent provided in this document and may therefore be considered optional.
- This consent is only valid for the records, purposes, and recipients described above. Any modifications to the school's practices or the recipient's terms of service or privacy policy that are inconsistent with those described above will require additional consent.
- I have the right to withdraw this consent at any time and for any reason without any adverse consequence taken against me or my student by the school. This withdrawal of consent will only be recognized by the data recipient in accordance with the policies described in their terms of service and privacy policy.
