

Flying for a Cause

Sky Runner is on a mission beyond gaming. A minimum of 15% of the game's net sales during the promotional period (December 18, 2024 through January 28, 2025) will be donated to **Toys for Tots**. Awesome, right? Well, here's the really cool part: Players can potentially increase this contribution **up to 50%** by unlocking the 'Drop for a Cause' achievement in Gift Drift mode:

- **Upon reaching 1,000 total 'Drop for a Cause' Achievements:** 25% of the game's net sales over the promotional period will be donated.
- **Upon reaching 2,500 total 'Drop for a Cause' Achievements:** 35% of the game's net sales over the promotional period will be donated.
- **Upon reaching 5,000 total 'Drop for a Cause' Achievements:** 50% of the game's net sales over the promotional period will be donated.

**While the donation rates may change with each milestone, the rates and donations are not cumulative.*
