Tapovan – Naam Jaap & Virtual Mala

Tapovan ("we", "our", or "us") is committed to protecting your privacy. This Privacy Policy explains how the Tapovan mobile application handles your information.

By using Tapovan, you agree to the practices described in this Privacy Policy.

Information We Collect

Tapovan is designed with privacy in mind.

At this time, Tapovan does **not collect, store, transmit, or share any personal information on external servers.**

The app does not require account creation, registration, login, or cloud synchronization.

Information Stored on Your Device

To provide app functionality, Tapovan stores certain information locally on your device, including:

- Naam Jaap counts
- Mala progress
- Daily chanting history
- Sadhana statistics
- Streak information
- User preferences and settings
- Language preferences
- Alarm configurations
- Haptic feedback settings

This information remains exclusively on your device and is not transmitted to us.

Internet Connectivity

Tapovan can be used without creating an account.

Currently, the app does not upload your spiritual activity, chanting history, or personal preferences to any cloud service.

All spiritual records remain under your control on your device.

Permissions

Depending on your device and Android version, Tapovan may request certain permissions necessary for app functionality:

Alarm & Notifications

Used to provide:

- Brahma Muhurta reminders
- Spiritual practice notifications
- Scheduled alarms

Vibration / Haptics

Used to provide tactile feedback during:

- Naam Jaap counting
- Virtual Mala interactions

These permissions are used solely for app functionality.

Third-Party Services

Tapovan may utilize Android system services such as:

- Text-to-Speech (TTS)
- Notification Services
- Alarm Services
- Haptic Feedback Services

These services are provided by your device operating system and are subject to their respective privacy policies.

Tapovan does not sell or share user data with advertisers or data brokers.

Children's Privacy

Tapovan is suitable for users of all ages.

The app does not knowingly collect personal information from children.

Data Security

Because your data is stored locally on your device:

- No user database is maintained by us.
- No spiritual activity is stored on our servers.
- No chanting history is transmitted to external systems.

Users are responsible for maintaining the security of their own devices.

Data Deletion

You have complete control over your data.

You can delete your locally stored data by:

- Using in-app reset options (where available), or
- Uninstalling the application from your device.

Removing the application generally removes locally stored app data according to your device settings.

Future Features

If Tapovan introduces cloud synchronization, account creation, online backups, analytics, or other data-processing features in future versions, this Privacy Policy will be updated accordingly.

Changes to This Privacy Policy

We may update this Privacy Policy from time to time.

Any updates will be reflected by revising the "Last Updated" date at the top of this document.
